Please consider joining us this summer, as we go **BEYOND BELIEF**, and explore the universe of God.

### Some New and Exciting Things for this summer...

This year instead of the refer a friend discount, we will be having an **EARLY REGISTRATION** discount. All registrations postmarked by April 30<sup>th</sup> will receive **\$25** off the registration fee.

You will notice there is not a Counselor in Training session this year. Training will take place the Saturday before each camp for all deans, counselors and volunteers.

This year we have also added Eco Camp and Eco Camp Mini. These camps will put their primary focus on environmental education.

We will also be holding a Service Camp for Middle and High School students. They will learn all about service, and help us to get the grounds in shape for summer. We'll also do some volunteering off-site.

Week-long camps will once again end on Friday evening.

**Be on the lookout for our Brochure and Registrations coming soon!**
